BIDDY VOLLEYBALL
THE PLACE TO BE TO LEARN VOLLEYBALL

Volleyball is quickly becoming the game of choice for many athletes. It is a sport that can be played for a lifetime. Glass City enjoys the most successful reputation in the area in teaching the fundamentals in a fun environment. Our program is geared to take players that are ages 5-9, girls and boys, teach or improve their skills and offer them the opportunity to begin to play the game in a competitive, challenging environment.

Glass City prides itself on the instruction rendered to its' athletes, and fields a large number of teams that compete locally, regionally and nationally in Junior Olympic competition. **THIS PROGRAM IS WHERE IT ALL BEGINS.** Dana Hooper, the Director of Glass City will oversee the instruction and brings over thirty-five years experience playing, coaching and officiating in the sport.

All participants receive a t-shirt and parents are encouraged to stay during the sessions to learn the techniques to practice at home.
