2009 GLASS CITY SERVATHON PLEDGE SHEET

Glass City is very excited for the 1st year of the ***SERVATHON.*** The servathon is an individual fund raising opportunity for the player to secure **100%** of their Glass City fee. **100%** of the fees raised go directly to the player.

How does it work: The player takes this pledge sheet to secure flat pledges or a pledge per made serve out of 100 serves. She shows up during the serving time, serves 100 serves and collects her pledges. All pledge checks should be made out to Glass City, with the players name written in the memo section. If there is a balance of her fees due, we will notify you. All fees are due and payable by club due dates, and all servathon pledges are due by 1/15/09.

When- Players will serve anytime on **January 4, 2009 from 5:30-7:00 pm** to serve their 100 serves. A parent must accompany them to count their serves. The location is Tamoshanter.
